Projects & Experience (see all projects on GitHub)

MyBookstore App
This is my personal project my final project of the bootcamp that contains all my knowledge. This is a Spring Boot App with hibernate, bootstrap, thymeleaf, security… I use MySQL for data base.

My Portfolio
I did @100daysofcode (check progress on twitter) where I created my portfolio and some other apps at the end of the challenge I gather a lot of experience and I become good with explaining the code that I created day by day.

Dubai Parks & Resorts (Design)
Chalk art and design work in Dubai in the biggest theme park in Dubai. (On my GitHub page you can see pictures)

QUIZ App
This is my first question type game. The questions are JSON file and i's about my Country. I used vanilla JavaScript, CSS, HTML.

Education

Free Code Camp / Online Academy

I have certificates (see in LinkedIn) for Responsive Web Design & JavaScript Algorithms and Data Structures and more.

Code Academy Skopje / Boot camp

Code Academy Skopje it was a *Full-Stack Java Developer Course Overview.*

- Introduction to Java Programming
- Object-Oriented Programming with Java
- Web Programming with Java
- Spring Programming
- HTML5, CSS & JavaScript
- Java EE Workshop
